## WHO WE ARE

**GREENOVA PLAST** is a premier manufacturer of high-quality uPVC furniture including Louvers panels, Ceiling Panels and Wall Panels in India.

As part of the esteemed group of companies under Maa Panel India Pvt. Ltd, GREENOVA PLAST benefits from a rich legacy of innovation and excellence. MAA PANEL INDIA Pvt. Ltd. is renowned for its manufacturing of aluminum composite panels under the “**MAPL**” brand, and **Telko Extrusion** is a leader in the extrusion industry.

This strong foundation allows GREENOVA PLAST to deliver products that are durable, eco-friendly, and aesthetically appealing, meeting the diverse needs of both residential and commercial spaces.

Our range of products is known for its top notch durability, outstanding performance and exquisite visual charm making them an ideal option for modern interiors.

## VISION

To be a global leader in sustainable plastic solutions and ignite minds in creating a cleaner and healthier planet.

## MISSION

To develop and produce innovative, eco-friendly plastic products that minimize environmental impact while meeting the needs of our customers. To take this mission further with next-gen visionaries who can benefit the stakeholder as well as the planet too.

## VALUES

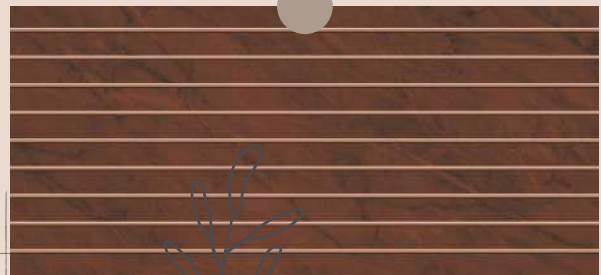

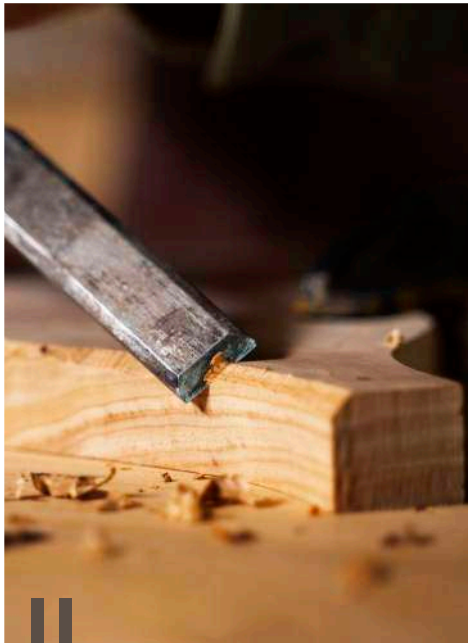

Sustainability: Prioritizing environmentally responsible practices.

Innovation: Driving advancements in plastic technology.

Quality: Delivering products of exceptional standards.

Customer Focus: Understanding and exceeding customer expectations.

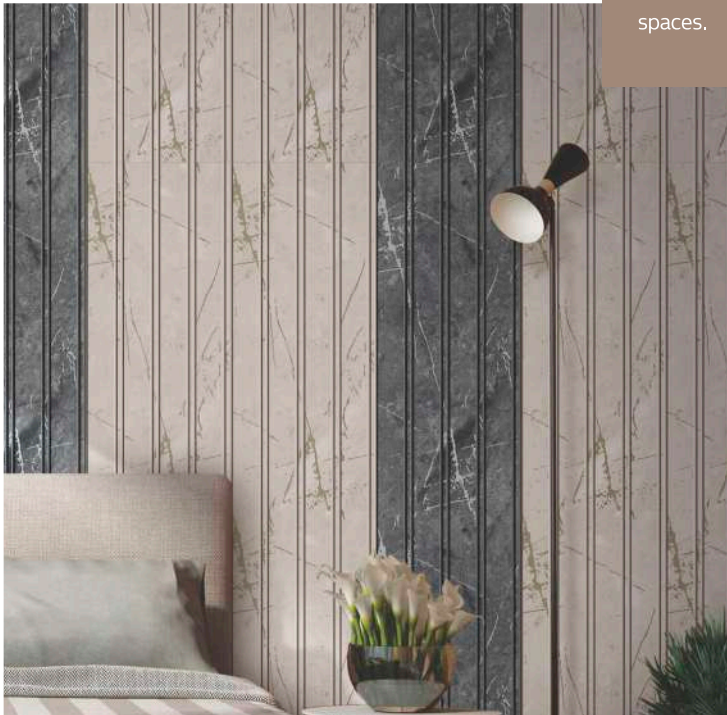

Integrity: Operating with honesty and ethical behaviour.

A New Era of  
Interior Excellence!

## Features

uPVC furniture offers unparalleled durability and resistance to moisture, making it ideal for both indoor and outdoor use. Its low maintenance requirements and eco-friendly properties make it a sustainable choice for modern living spaces.
